

Jigsaw Puzzle Camel

This image illustrates the assembly of a camel jigsaw puzzle. It features a central 2x3 grid of puzzle pieces, a large red arrow pointing from the assembled image to the pieces, and a 3x3 grid of individual puzzle pieces at the bottom. The assembled image shows a brown camel and its calf in a desert landscape. The puzzle pieces are arranged in a 2x3 grid, with the top row containing the head, body, and legs, and the bottom row containing the legs, body, and head. The individual pieces at the bottom are arranged in a 3x3 grid, with the top row containing the head, legs, and legs, and the bottom row containing the legs, body, and head.
